

# Supporting you, with lower insurance premiums.

Ellis Bates Insurance Brokers have been providing specialist insurance to the Care Sector for over a decade, and appreciate the differing needs of individuals and organisations, of all sizes.

## Understanding your needs

As a provider of accommodation and support services, your Public Liability needs are specific to you.

That is why we've developed a policy that both fulfils your unique requirements, and is at a very competitive price.

Plus, we have special discounted rates if you are a NAAPS member.

**To find out if you qualify for these incredibly low rates, call our specialist Care Team now on 01423 724518.**

You may also wish to enquire about our **Buildings & Contents insurance**, as you could make extra savings there too. And, it will also be worth telling your residents about our **Personal Belongings policy** especially developed for Service Users. We believe you could all benefit from our incredibly low cost insurance.

Special rates  
for  
NAAPS members

**Accommodation  
and support services  
Public Liability Insurance**

**from £125** per annum

**Accommodation  
and support services  
Public Liability Insurance**

**from £225** per annum
